

# Have a go

Below are a few things for you to have a try at!

- Looking at where you live on google earth
- Sending someone an email with an image
- Editing an image
- Looking at ebay or amazon for some good deals
- Putting apps into folders
- Sending someone a message on skype or having a video call
- Playing a game or two to get used to the touch screen
- Have a go at moving some apps
- Play with the settings and change the wallpaper or lock screen
- Have a look at Pinterest for some craft ideas
- Catch up on the gossip on BBC news website
- Have a look in the app store for new and interesting apps
- Check hotels, restaurants ect on tripadvisor
- Find a good film at pocklington arts centre
- Have a walk outside or in and take some different pictures
- Catch up on social media by looking on Facebook or twitter
