AN ATTRACTION

"Loved Tower of London. It was my first time there and it was a great experience. Really had a chance to explore the city and area. I will definitely come back again. "

"Important site, high-priced, long lines"

04/09/2017

"While it is a "must-see", it is not the most interesting place in London. The free tour by the Yeoman Warders is more for entertainment than for information. Very long lines, especially for the crown jewels exhibit that we found to be disappointing...."

Attraction Information

The Eiffel Tower is a wrought iron lattice tower on the Champ de Mars in Paris, France. It is named after the engineer Gustave Eiffel, whose company designed and built the tower. Constructed from 1887–89 as the entrance to the 1889 World's Fair, it was initially criticized by some of France's leading artists and intellectuals for its design, but it...
